SUBJECT: Project ASSIST

Dear Ms. Wheeler:

The requested organizational resume is enclosed.

The South Carolina Department of Parks, Recreation and Tourism supports the efforts of your agency and the American Cancer Society, South Carolina Chapter, to improve the quality of life of our citizens by reducing the use of tobacco products. At the same time, we must be sensitive to those whose livelihoods are based in part or in sum on the production of tobacco products.

The health of our populace should be a concern to all of us that serve in a public capacity.

Sincerely yours,

Julie F. Lybrand  
Assistant to the Director
